

Re: Wisconsin Do Not Call List

It is my strong desire that the Wisconsin Do Not Call List NOT be altered. As a consumer I choose to initiate any communications with a business; the specific reason I support and use the Do Not Call List is that I do not want to be contacted repeatedly by businesses whether or not I have previously conducted business with them. I do not want to be bothered by business telemarketers simply because I may have had previous contact with that business or it's affiliates. LEAVE THE WISCONSIN DO NOT CALL LIST ALONE!!!
